1. Purpose

This document presents findings referring to the tests done on the "BUYME" website.

During the series of tests, about 20 bugs of different levels of severity were found.

In the report, it will be possible to see the results of bugs and recommendation regarding the continued use of the site.

2. Application Overview

The "BUYME" website serves as a website and mobile for buying gifts and shopping vouchers for yourself, family, friends, colleagues and acquaintances and allows the recipient of the gift to use it as an online order with deliveries or self-collection or as a physical purchase.

3. Scope of the Test

GUI – The design and graphic specification of the website were tested in various aspects.

Usability – It was checked that the site is easy to use and operate.

Accessibility – The site has been tested as having Accessibility for people with disabilities.

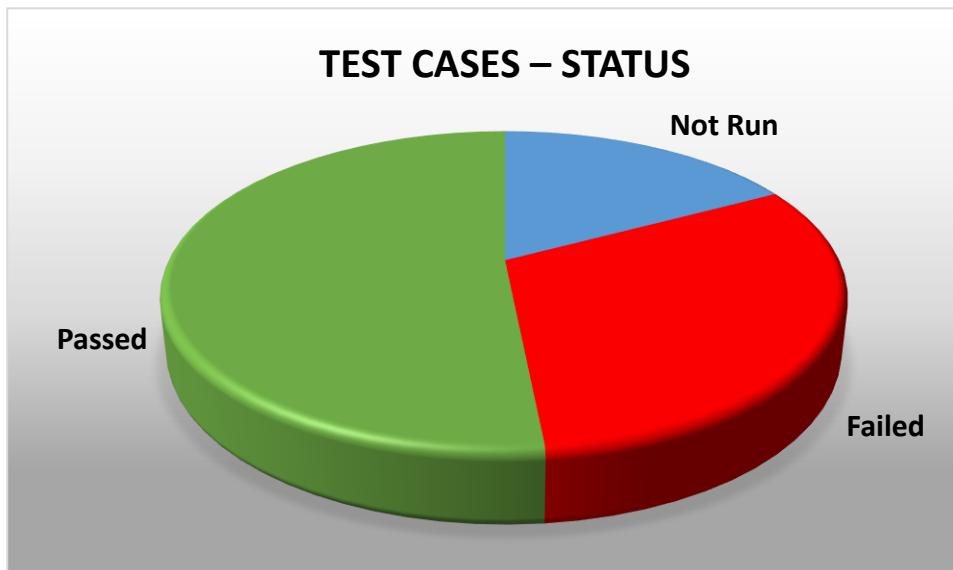

Security – Identity verification check.

Functional tests, boundary value tests and CRUD

4. Test Cases – Status

The website address – is <https://buyme.co.il/>

6. Recommendation & Conclusions

Following the various tests carried out on the "BUYME" website, quite a few bugs of varying degrees of severity were found.

In addition to this, the site is a bit slow at times.

Beyond the bugs that need to be fixed as soon as possible, the site works relatively well. It is advisable to correct all the texts on the site so that they are all uniform in terms of font selection and font size for the titles and the body of the text.

7. Go / No Go

Despite the relatively large amount of bugs, the site still functions reasonably well and performs its main functions, which are viewing the gift menu and ordering a gift for yourself or someone else. As a result, I recommended releasing the site.

The image consists of three vertically stacked screenshots of the BuyMe website (<https://buyme.co.il>). Each screenshot highlights a specific user interface (UI) problem with red arrows and circles.

- Screenshot 1:** Shows a red arrow pointing down to a small, dark button labeled "בדוד בטליזר". A red circle highlights this button, indicating a low-contrast issue.
- Screenshot 2:** Shows a red arrow pointing right to a color palette icon in the top right corner of the browser window. A red circle highlights this icon, indicating a low-contrast issue.
- Screenshot 3:** Shows a red arrow pointing left to a row of category cards. A red circle highlights the card for "BUYME CHEERS", which features a pink background and white text, suggesting a low-contrast issue.
